

Bibliography of Surtsey 1963-2006

This bibliography of scientific publications relevant to Surtsey (1963–2006) was compiled by the Icelandic Institute of Natural History in relation to the Nomination of Surtsey for the UNESCO World Heritage List in January 2006.* The bibliography can also be found at: www.surtsey.is where it is regularly updated.

Earth Sciences.....	2
Terrestrial Biology	12
Marine Biology	18
